

REMARKS

This application has been carefully reviewed in light of the Office Action dated August 23, 2005. Claims 1-6 remain pending in this application. Claim 1 is the independent claim.

Applicant notes with appreciation the indication that Claims 1-4 and 6 are allowed and that Claim 5 would be allowable if rewritten to overcome the objection raised in the Office Action. Applicant has so amended Claim 5 and believes all the claims to be in condition for allowance at this time.

In response to the objection to the specification for failing to include headings, Applicant gratefully acknowledges the Office Action's suggestion, however respectfully decline to add the headings as they are not required in accordance with MPEP §608.01(a).

Applicant respectfully believes the amendments to the abstract and claims adequately respond to the objections to the claims and abstract in the Office Action and requests withdrawal of the aforementioned objections.

In view of the foregoing remarks, Applicant respectfully requests favorable reconsideration and early passage to issue of the present application. Applicant's undersigned attorney may be reached by telephone at the number given below.

Respectfully submitted,
